

Greetings to you in the name of the Lord!

We are so excited that you have taken interest in becoming part of North Atlanta Parish family. We realize how important it is to have a church home and how difficult it can be to find a place where you belong. Whether you are seeking God spiritually, just starting to ask questions about God, or want to use the gift God gave you, it is with great joy to introduce you to our church!

As you have chosen to unite with us to begin or enhance your life's journey developing as a follower of Christ, it is our prayer that God will continue to confirm His will and direction to you as you seek Him.

Through our online resources, you will find everything you need to get connected with us. If you have not already, please fill out the membership request form, it is designed for us to get to know you and includes a space for you to give us your contact information.

When you have completed the form, you can mail them to the church office or simply bring them with you on any of our service days and give them to a Church Leader.

If at any time you have a question, please feel free to contact me or one of the elders.

God bless you as you come,

Samson Amosu
